ORDER DENYING PETITION

This is a proper person petition for a writ of habeas corpus. Petitioner argues that he has been unlawfully restrained of his liberty. We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time. A post-conviction petition for a writ of habeas corpus must be filed in the district court in the first instance.¹ Petitioner may then appeal to this court from a final adverse decision.² Accordingly, we

ORDER the petition DENIED.
